CAREER OBJECTIVE

To contribute as an innovative AR/VR and UI/UX Designer in a forward-thinking organization where I can apply my technical expertise in Unity, Figma, Java, and web technologies to design immersive and user-centered digital experiences. Committed to leveraging creativity, problem-solving skills, and emerging technologies to develop impactful and efficient solutions while continuously advancing as a technology professional.

INTERNSHIPS

CodSoft – UI/UX Design

- Designed wireframes, mockups, and interactive prototypes using Figma and Canva.
- Applied user-centered design principles to enhance usability and accessibility.
- Improved layout structure, visual hierarchy, and user flow in web and mobile interfaces.
- Collaborated on design improvements based on feedback and testing.

CodSoft – Java

- Developed Java-based applications using object-oriented programming concepts.
- Implemented logical problem-solving techniques for backend functionality.
- Strengthened debugging, structured coding, and algorithmic thinking skills.
- Worked on mini-projects involving data handling and application logic.

PROJECTS

- Health Risk Calculator (Java, Spring Boot, Maven) – Rule-based health prediction web application
- Waste Reservation System (HTML, CSS) – Responsive waste collection scheduling platform
- Travel Planning App (UI/UX) – Research-based wireframes and interactive prototype in Figma
- Real-Time Speech to Sign Language Translation (NLP) – Live speech-to-sign conversion system (Ongoing)
- Geospatial AR Pipeline Visualization (Unity, AR) – AR-based underground pipeline mapping system (Ongoing)

SKILLS

- | | | | |
|------------------|--------------|----------------------|--------|
| • Figma | • Unity | • C / C++ | • Java |
| • MySQL / Oracle | • HTML / CSS | • Jenkins/Git/Docker | |

EDUCATION

Bachelor of Engineering – Computer Science Engineering

National Engineering College, Kovilpatti (2023 – 2027)

Higher Secondary Education (HSC)

A.U.P.E.T.Chinmaya Vidhyalaya Mat Hr Sec School, Tirunelveli (2023) -87.16%

CERTIFICATIONS

Languages:

English, Tamil

NPTEL Certifications:

Technical English for Engineers, Introduction to Internet of Things, Introduction to Industrial 4.0 & IIoT, Human Computer Interaction, Computer Vision & Deep Learning

Online Courses:

User Experience for Web Design – LinkedIn Learning, Database Management System (Part 1 & 2) – Infosys Springboard, MongoDB Basics for Students – MongoDB, Programming Using Java – Infosys Springboard
